a 50 or 125 Holiday?

Habana is your everyday holiday. A quick glance at its bright fun design is all it takes to make you feel as happy and relaxed as if you were on holiday. Designed and constructed in the name of comfort, Habana is the scooter for those looking for a comfortable life. The practical glove compartment, the spacious under saddle compartment, the flat and roomy footrest, the ample and comfortable saddle and the large protective front shield have all been designed to leave boredom behind and take control of the city. And from today, you can also choose a 125 holiday. Forget the blaring horns and traffic jams. The new **Habana 125** has a silent, environmentally friendly four-stroke engine to rescue you from the chaos of city traffic. Forget stress and tedium: the **Habana 125** combines top comfort, safety and ease of use thanks to its small size, efficient braking system and low height from the ground. In both capacities (**50** and **125**) and in both versions (**Habana** and **Habana Custom**) Habana gives you great character, but makes few demands. All Habana asks is for you to choose your holiday. There are **50** or **125** reasons to keep on smiling.

With attention paid to the smallest of detail, from the chromed elements to the fine dashboard, Habana takes you down the road of classical, timeless elegance. The saddle is long and roomy, the riding position is relaxed, the suspension guarantees maximum comfort thanks to the front link-rod fork with double hydraulic shock absorber and anti-diving device. Its innovative high performance, environmentally friendly, air-cooled 50 cc engine is born from Aprilia's experience in the racing world.

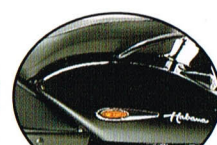

And today, Habana offers you a new holiday in the name of power and savings. The Habana 125 is born. Its environmentally friendly single cylinder four-stroke engine guarantees maximum reliability, low noise levels and graduality, combined with incredible savings on running costs. Habana gives you fun, riding pleasure and safety. So what are you waiting for to set off on holiday?

Habana Custom 50 125

From Habana comes Habana Custom, the scooter which never goes unnoticed. Aimed at all those used to making personal choices which break the mould, but without compromising on style, elegance and dash, Habana Custom combines the Habana performance and spirit with the typical characteristics of the custom motorcycle, from the chromed steer-horn handlebars to the large headlight, aluminium motorcycle-style light controls and large, comfortable saddle.

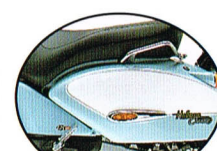

New Concept top box

And for an even more original scooter, there is a wide range of dedicated accessories, conceived and designed for all those who want to make their Habana Custom truly unique and personal. With its performance and customisable elegance, Habana Custom is the new scooter for everyone who wants to keep on smiling and live every day as a holiday. Today, Habana Custom is also available in the 50 and 125 models. Are you ready to choose the right holiday for you?
