

 **HONDA**

# ***NSR*** 125R-R

Unmatched Grand Prix styling of the new NSR125R-R sets the standard for learner legal motorcyclists. Never before has such a high-specification Honda been available to novice riders. With its sturdy aluminium Alcast Zeta frame, cast wheels, six-speed transmission, disc brakes, Pro-Link monoshock rear suspension and single-cylinder two-stroke engine with electronic exhaust valve, the NSR125R-R is an irresistible combination of technology and responsive handling.

These specification details do not apply to any particular product which is supplied for sale. The manufacturers reserve the right to vary their specification with or without notice and at such times and in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. Consult the Dealer with whom your order is placed for details of the specification of any particular product. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned and is subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor or Dealer, copies of which may be obtained from him on request. This publicity material applies to the UK only. **Trade Descriptions Act (1968).** Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with their supplying dealer especially if your model selection is dependant upon one of the features advertised.
