

TU250X

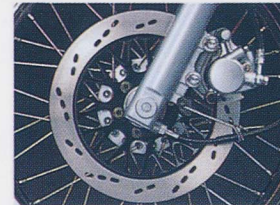

A Fun Bike that "Grows on You"

Head out for many seasons of riding pleasure on a bike that "grows on you." The fun and versatile new TU250X is built as your trusty partner for all motorcycling occasions. The wide, torquey powerband of its single-cylinder air-cooled engine and a natural, upright riding position with a well-cushioned seat make the TU250X ready for daily rides on busy streets and for refreshing countryside tours. With equal ease. Its styling, highlighting the fun-shaped fuel tank and four gleaming color choices, presents a natural blend of the traditional and the new-age. The TU250X. Check out the bike that brings motorcycling closer to your daily life.

Comfortable seat

Large, easy-to-read speedometer

- The 249cc air-cooled single-cylinder SOHC 4-valve powerplant delivers lots of usable torque on streets and highways.
- Single-cylinder design makes for light dry mass of 125kg.
- Convenient push-button electric starter.
- 5-speed transmission is geared to make optimum use of engine torque output for smooth riding.
- Upright riding position and well-cushioned seat provide excellent comfort both for daily rides and weekend trips.
- Classic chromed components include the front and rear fenders, instrument housing, chain guard and grabbar.
- Choice of four classy body colors, including a two-tone design.

- The dual rear shock absorbers come with 5-stage preload adjustment.
- Front 18-inch and rear 17-inch tires on classic spoked wheels.
- Conveniently shaped grabbar is easier to grasp and also facilitates the carrying of luggage.
